

Sat, Feb 12, 4:51 PM

Good afternoon Brian, this is
Mona Fortier. Can you call me
please... re... Ottawa convoy
situation. Merci

This is so not going to help...

Sun, Feb 13, 1:23 PM

I think Min Blair did a good job today on CBC CTV and Global, matter-of-factly pointing out that enforcement action needs to start in Ottawa, and that the feds are helping. The fact that RCMP and OPP now share command along with OPS is good

There's also been a development on the part of the mayor and his chief of staff... Serge Arpin just briefed Yasir and I about an 45 min ago... we strongly encouraged him to
